Specifications
Enclosed trailers are not equal when it comes to reliability and construction. Just like a house, the quality and craftsmanship of the builder makes the difference. Every Triton enclosed trailer has all-aluminum construction, with fully welded lower and upper frames that are fixture-built with custom aluminum extrusions. The result? A solid structure that you can trust to house and haul what’s important to you, for years, in the weather conditions you love.

Lowboy HD is the ideal enclosed hauler for cars, toys and heavy equipment. Lowboy HD trailers are often customized with fully detailed interiors, audio and climate controls, and electrical supplies for specific uses and destinations. The Lowboy HD Series has Triton’s construction, fit and finish (see page 3) and offers the following standard features.

1. **HEAVY DUTY CARRYING CAPACITY**
   Fixture-built frame with custom extrusions has 16” on center wall studs and 12” on center floor crossmembers. (9,995 lb. GVWR)

2. **BEAVERTAIL DESIGN**
   Dropped rear beavertail deck for easy loading, especially low ground clearance vehicles.

3. **SMOOTH ALUMINUM SKIN**
   Bonded (screwless) .030” aluminum panel exterior. 28’ length models feature .050” aluminum panel exterior.

4. **FLEXIBLE CARGO SECURITY**
   Four fixed, flush mount heavy-duty D-ring tie downs are bolted to welded brackets. Two full-length Quickslides have four flush tie downs to provide infinite tie down options. (not pictured)

5. **DOUBLE-SEAL RAMP DOORS**
   Spring-assist ramp door with double seal prevents leaks, keeping cargo dry. Built-in transition makes loading and unloading easy.

6. **15” ALUMINUM WHEELS**
   6-bolt radial tires with aluminum rims have “E” load range rating.

7. **TORSION AXLES**
   Four cord rubber torsion axles with electric brakes on front and rear axle.

**OTHER STANDARD FEATURES**

- Available heights of 6’6”, 7’ or 7’6”
- Stainless steel ramp door latch with built-in keyed lock
- Spacious 98” interior between walls and 82” between 9” high wheel wells
- Aluminum frame rollers on rear axle mounts

Colors: Light Metallic Pewter, Metallic Charcoal Gray, Black, White

V-nose adds 5’ to usable deck length
Lowboy trailers are ideal for hauling motor sport and power sport vehicles, and light equipment. Lowboy trailers are often customized with fully detailed interiors, audio and climate controls, and electrical supplies for specific uses and destinations. The Lowboy Series has Triton’s construction, fit and finish (see page 3) and offers the following standard features.

**HIGH CARRYING CAPACITY**
Fixture-built frame with custom extrusions has 16” on center wall studs and 16” on center floor crossmembers. (7,000 lb. GVWR)

**BEAVERTAIL DESIGN**
Dropped rear beavertail deck for easy loading, especially low ground clearance vehicles.

**SMOOTH ALUMINUM SKIN**
Bonded (screwless).030” aluminum panel exterior.

**FLEXIBLE CARGO SECURITY**
Four fixed, flush mount heavy-duty D-ring tie downs are bolted to welded brackets. Two full-length Quickslides have four flush tie downs to provide infinite tie down options. (not pictured)

**DOUBLE-SEAL RAMP DOORS**
Spring-assist ramp door with double seal prevents leaks, keeping cargo dry. Built-in transition makes loading and unloading easy.

**15” ALUMINUM WHEELS**
5-bolt radial tires with aluminum rims have “C” load range rating.

**TORSION AXLES**
Four cord rubber torsion axles with standard electric brakes on front axle, optional electric brakes on rear axle.

**OTHER STANDARD FEATURES**
Available heights of 6’6”, 7’ or 7’6”
Stainless steel ramp door latch with built-in keyed lock
Spacious 98” interior between walls and 82” between 9” high wheel wells
Aluminum frame rollers on rear axle mounts

Colors: Light Metallic Pewter, Metallic Charcoal Gray, Black, White

V-nose adds 5’ to usable deck length
The Prestige Series is designed for multi-season and multi-sport hauling, whether across town or across the country. Standard Prestige trailers are often customized with storage and tie down options for hauling snowmobiles, off-road vehicles, motorcycles, and gear. The Prestige Series has Triton’s construction, fit and finish (see page 3) and offers the following standard features.

**MULTI-USE CARRYING CAPACITY**
Fixture-built frame with custom extrusions has 19” on center (8’ wide model) or 24” on center (7’ wide model) floor crossmembers.

**EASY ENTRY AND EXIT**
Ramp approach has a built-in transition for easy loading. (not pictured)

**SMOOTH ALUMINUM SKIN**
Bonded (screwless) .030” aluminum panel exterior.

**ADJUSTABLE TIE DOWN POSITIONS**
Two full-length Quickslides provide infinite tie down options. Tie down bars included. (not pictured)

**DOUBLE-SEAL RAMP DOORS**
Spring-assist ramp door with double seal prevents leaks, keeping cargo dry.

**ALUMINUM WHEELS**
13” radial tires (8’ wide model) or 14” radial tires (7’ wide model) with aluminum rims.

**TORSION AXLE**
Four cord rubber torsion axle with optional electric brakes.

**OTHER STANDARD FEATURES**
Available heights of 6’, 6’6”, 7” or 7’6”
Stainless steel ramp door latch with built-in keyed lock

Colors: Light Metallic Pewter, Metallic Charcoal Gray, Black, White
The XT Series is a hard-working trailer for multi-season and multi-sport hauling. XT trailers are often customized with storage and tie down options for hauling snowmobiles, off-road vehicles, motorcycles, and gear. The XT Series has Triton’s construction, fit and finish (see page 3) and offers the following standard features.

1 MULTI-USE CARRYING CAPACITY
Fixture-built frame with custom extrusions has 19” on center (8’ wide model) or 24” on center (7’ wide model) floor crossmembers.

2 EASY ENTRY AND EXIT
Ramp approach has hinged ramp flap for easy loading. (not pictured)

3 SMOOTH ALUMINUM SKIN
.030” aluminum panel exterior with minimal screws.

4 MULTIPLE TIE DOWN POSITIONS
Flush mount D-ring tie downs provide optimal tie down locations. (not pictured)

5 ALUMINUM WHEELS
13” radial tires (8’ wide model) or 14” radial tires (7’ wide model) with aluminum rims.

6 TORSION AXLE
Four cord rubber torsion axle with optional electric brakes.

OTHER STANDARD FEATURES
Available heights of 6’, 6’6”
Cam arm ramp door latch with grease zerks, hinges, and latches

Colors: Light Metallic Pewter, Metallic Charcoal Gray, Black, White

V-nose adds 5’ to usable deck length
Trim packages are an easy way to design the perfect Lowboy HD, Lowboy, Prestige, or XT Series trailer to meet your specific needs. Each trim package offers pre-specified, popular options to enhance the standard trailer’s functionality. Choose any combination of trim packages to personalize your trailer.

**INTERIOR TRIM PACKAGE**

2. Single Wall Switch: Activates LED dome lights.

Interior Trim Package pictured on LB-22.

**STORAGE TRIM PACKAGE**

1. Helmet Cabinet: White or black 48” wide aluminum cabinet accommodates four helmets.
2. Fuel Door: Fuel machines while loaded through one or two doors. Doors have keyed lock.
3. Roof Vent or Side Vent: For airflow and moisture control.
4. Spare Tire Carrier: Hoop style carrier stores 13", 14" or 15" tire up and out of the way. (Tire sold separately.)

Storage Trim Package and Interior Trim Package pictured on LB-22.

**LOADING TRIM PACKAGE**

1. Auxiliary/Load Lights: LED lights illuminate the rear loading area for night loading/unloading.
2. Wall Switch: Activates load lights.
3. Step: Enter and exit easily with one choice of two step options.

Loading Trim Package and Interior Trim Package pictured on LB-22.
Would you prefer that we design a full-featured trailer for you? The Triton “Adventurer” signature trim package is packed with options, functionality, and design elements. Available on Lowboy HD, Lowboy, and Prestige Series only, the “Adventurer” options are perfect for any enthusiast’s travels.
Choose from a full range of options to customize your dream trailer. Following are just a sample of available options. See tritontrailers.com for all options including custom interior and exterior colors.

**INTERIOR**

- White Lauan Walls and Ceiling, Windows
- Aluminum Skin Walls, Ceiling
- Black Quad Flooring
- Ceiling and Cove Lighting

**EXTERIOR**

- Custom Color and Multi-Color Options
- Side Doors, Screen Doors, Steps
- Keyless Entry
- Side and Rear Loading Lights

**STORAGE AND CARGO SECURITY**

- Quickslide On Walls
- Tie Downs, Permanent and Adjustable
- Combo Walls, Gear Cabinets and Racks
- Spare Tire Carriers and Floor Closets

**CLIMATE CONTROL**

- Propane Heater Package
- Air Conditioning
- Insulated Walls and Ceiling
- Roof and Side Vents

**AUDIO AND ELECTRICAL**

- Bluetooth® Ready, SiriusXM Capable Radios, Speakers
- Power Supply and Battery Chargers
- Interior and Exterior Outlets
- Wall Switches

See tritontrailers.com for all options including custom interior and exterior colors.
Measure your particular vehicles for needed model size. Recommended tongue weight for all enclosed trailers is 7-10% of GVWR. Please note: It is the responsibility of the purchaser to adhere to the brake laws regarding trailers. For full information on the laws in your state, contact the appropriate State Motor Vehicle Department. Contact your local dealer for order lead times. All trailers ordered without brakes will have a GVWR of 2995 lbs. Specifications, parts, and accessories can change without notice. Trailers may be shown with options not standard.
