Make sure that the trailer has the carrying capacity and deck space for your specific loads. Recommended tongue weight 7-10% of GVWR. Upgraded tires will change deck heights. Some tire upgrades require spacer kits. See your dealer. It is the responsibility of the purchaser to adhere to the brake laws regarding trailers. For full information on the laws in your state, contact the appropriate State Motor Vehicle Dept.

Contact your authorized Triton Trailers, LLC dealer for specifications, pricing and lead times. Due to continuous product improvements; standard features, optional accessories and specifications are subject to change without notice or obligation. Triton Trailers, LLC reserves the right to make changes to models or discontinue models without notice or obligation.

*Brake options will change the overall length of trailer. Second axle brakes can be added when one is standard.
