Make sure that the trailer has the carrying capacity and deck space for your specific loads. Recommended tongue weight 7-10% of GVWR. Upgraded tires will change deck heights. Some tire upgrades require spacer kits. Contact your authorized Triton Trailers, LLC dealer for specifications, pricing and lead times. Due to continuous product improvements; standard features, optional accessories and specifications are subject to change without notice or obligation. Triton Trailers, LLC reserves the right to make changes to models or discontinue models without notice or obligation.
